

NATHAN HOHMAN

VICE PRESIDENT & CHIEF FINANCIAL OFFICER, NORTH AMERICA FEED DIVISION

Nathan Hohman is vice president and chief financial officer of Alltech, specifically focused on the profitability of the company's North America-based feed company acquisitions. Hohman has been involved with Alltech since its inception in 1980 and served as the company's first financial controller.

Alltech has grown under Hohman's financial stewardship from a startup company with capital of \$10,000 to a more than \$2 billion corporation with more than 6,000 employees and annual double-digit growth rates.

Hohman travels extensively throughout the world, providing leadership and guidance as well as acting as a strategic adviser. He is a native of Kentucky and graduated from Georgetown College in Georgetown, Kentucky.
