

COVID-19 TRAVEL GUIDANCE

VEHICLES

1. **Review** the rental car company's COVID-19 cleanliness policies before booking.
2. **Wipe down** touch points with alcohol wipes before use.
3. **Ventilate the car**, if possible, for the first five minutes of the journey.
4. **Travel alone** within the car.
5. **When refueling**, wipe down the fuel pump handle before use.
6. **Use disposable gloves**, if possible. Dispose of them at the filling station.
7. **Pay at the pump**, if possible, to avoid going into the kiosk/shop.
8. **Use hand sanitizer** before resuming travel.
