

E. MICHAEL CASTLE II

CHIEF OPERATING OFFICER

As chief operating officer, E. Michael Castle brings integration to Alltech's operational and support teams globally, ensuring that they work in alignment and collaboration toward the company's ambitious goals for growth and Planet of Plenty™ vision.

Most recently, Castle served as executive vice president at Alltech and CEO of the Alltech Feed Division, which comprises several recently acquired companies that specialize in premixes, complete feeds, nutrition blocks, specialty products and technologies. Appointed to the position in May 2016, he was responsible for the division's focus on delivering greater efficiency, productivity and sustainability to the farm and ranch, and improving companion animal nutrition. Castle also assumed leadership of Alltech's North American commercial efforts in 2018.

Prior to that appointment, he held a variety of roles such as chief operating officer, chief administrative and legal officer, and chief legal officer. Castle has lived and worked for Alltech in England as head of the legal department for Asia-Pacific and Europe. He then returned to Alltech's corporate headquarters in Kentucky to establish a legal and regulatory presence for Alltech globally as chief legal officer.

He received a bachelor's degree in chemical engineering with a minor in mathematics from the University of Kentucky and a Juris Doctor from Washington University in St. Louis.

Castle serves on the American Feed Industry Association's board of directors and the Kentucky Chamber board of directors and executive committee.
